

# Send your fridge to a better place

## Get \$35 for recycling your spare fridge

Take part in the Fridge Farewell program and you'll get \$35 back, plus save up to \$150 a year in home energy costs. It's no hassle: a professional contractor will haul away your old fridge or freezer from your home or garage for proper recycling.

### Participation Requirements

- You must be a residential electric customer of a participating electric cooperative with a valid account number.
- The fridge or freezer must be owned by the customer and be picked up from the residential address listed on the billing account.
- The fridge or freezer must be an operating, secondary unit.
- No primary units will be recycled and there is a limit of two appliances per household.
- Ammonia-based refrigerators are not eligible.
- The fridge or freezer must be between 10 and 27 cubic feet.
- The fridge or freezer must be located in a single-dwelling home, a townhouse or a duplex, triplex or four-plex building.
- The reward of \$35 will be mailed to you within four weeks from pickup of refrigerator or freezer.
- Promotion dates: April 1 - August 31 or while rebate dollars last.
